23rd Apr Sue and David Banham 01508 498223

All welcome!

Please contact the walk leader for more information.

Superb Walk in the September Sunshine!

Fourteen of us set out on Thursday 22nd September on a 5 mile circular walk and had a superb time in the September sunshine. We walked past Horsey Mere, Waxham cut, Horsey Gap, with a walk on the beach to view many seals at a distance and across grazing marshes. Afterwards, we all enjoyed a superb lunch at Poppylands cafe.

Why not join us on our next walk on Sunday 23rd October 2022?

~Daphne~

CHRISTMAS SHOE BOXES—OPERATION CHRISTMAS CHILD

The mission of Operation Christmas Child is to show God's love in a tangible way to children in need around the world, and together with the local church worldwide, to share the Good News of Jesus Christ.

A small shoebox can have a big impact. What goes into the box is fun, but what comes out of it is eternal. Be a part of changing children's lives all over the world through the power of a simple gift with Operation Christmas Child.

*We will be collecting shoe boxes again this year, boxes are available from the Group Office. Boxes should be returned to the Group Office by **Tuesday 1st November 2022** (Office Mon-Thu, 9am-12:30pm. Please phone before arrival – 01508 498157)*

GARDEN TWINNING PLANT AND PRODUCE SALE AT HEMPSTALL CHURCH

Thank you to everyone who contributed to this sale in any way: by donating plants, produce, pots or cakes, by helping or coming along on the day. It was a good opportunity for people to enjoy each other's company on a pleasant sunny afternoon and we were delighted that we raised over £600 for 'Garden Twinning' which has been the Hempnall Group's charity of the year.

services in south Norfolk and north Suffolk.

Our service allows people of all ages without access to other forms of transport to carry out everyday tasks such as shopping, attend GP appointments, visit friends and relatives or to attend a local club/community group.

The door-to-door dial-a-ride service has been providing a successful and reliable service since 2002.

We also run regular outings for members throughout the year including trips to the coast, gardens, shopping trips, boat trips and pub lunches.

If you are a member of a local not for profit community group, you can hire the minibuses for outings. Go to destinations of your choice, visit your favourite places and enjoy shopping trips.

For a copy of the 2022 outings leaflet and for any other information regarding the services we provide please call the office: 01379 854800, email: adminborderhoppa@btconnect.com or visit our website: borderhoppa.org

ONE FOR THE DIARY

Hempnall Football Club is holding a

Christmas Bingo

at Hempnall Village Hall

on Saturday, December 3rd 2022

Further details including prices available nearer the time,
but please book the date.

We would very much appreciate your support.

Licensed bar available, including a good quality cask ale.

Contact Trevor at enquiries@hempnallfc.co.uk or on 07702-861905.

News from Woodton Primary School

September 2022

We hope you all had a wonderful summer and survived the heat. After a very busy summer term the holidays were fully embraced by all of us. Last term included a variety of outings and events which now, unfortunately, seem a dim and distant memory. The children in Oaks class impressed everyone with their brilliant performances in "The Wizard of Oz" which we were again lucky to present at the village hall. The summer production gives us a chance to showcase the dramatical talent we have within school and also offers a suitable send-off to the year 6 pupils.

The start of July saw the return of our much-loved summer fete, after a break of two years. We had a variety of stalls, a main ring with welly wanging, family races and events as well as

activities for all ages. The adults versus children tug of war proved to be particularly entertaining with a spectacularly solid win for the children – the adults clearly underestimating their strength and determination. It was wonderful to be able to welcome the wider community back into our school and we look forward to many more future events.

The start of this academic year has gone very well with all the children happy to be back in class. Our new starters in Reception have quickly found their feet and it feels like they've always been here. In our first week back we were saddened to hear of the death of our monarch, Queen Elizabeth II. We have been celebrating her life during collective worship and thinking about how she represents our key values of Respect, Challenge, Inspiration, Resilience, Nurture and Aspiration. The children loved learning about the

many different things she achieved throughout her life and how she served our country until the very end. For the Platinum Jubilee the children were lucky enough to be gifted a book about the reign of Queen Elizabeth which many of them are now rereading as a celebration of her life.

Hello from Hempnall Primary School!

We have started our new year with myself, Mrs Lewis, as Head of School. It is a privilege to work at the school and I have been made very welcome by the children, parents and staff alike. We have been busy already with our Year 1 and 2 children going to Framingham Earl to the Circus, where they got to practice Circus Skills, such as balancing plates and hula-hooping. The children had the chance to watch performers on unicycles and acrobats wow the children with their dexterity and skill. We have remembered the Queen by creating a book of condolence, using her Majesty's favourite flower, Lily of the Valley. This has been taken to the church by pupils. We have also celebrated the Queen's life and impact in assemblies.

GRANTS AVAILABLE FOR PARISHIONERS

The Foundation is keen to support all Hempnall residents (adults and children), regardless of financial circumstances, to take advantage of a wide range of educational and recreational opportunities. Consequently, if you would like to discuss any aspect of a claim you may be planning to make, including how it may be funded, we would be happy to talk with you informally. Please contact Ian (see below).

The next meeting of the Hempnall Town Estate Educational Foundation is during November 2022. Completed applications for grants by 31 October 2022 to Ian Nelson, Clerk to the Trustees, Karinya, Bungay Rd, Hempnall, NR15 2NG.

Application forms are available online at <https://hempnalltrust.org.uk/https-hempnalltrust-org-uk-town-estate-educational-foundation/> and in Hempnall Village Hall, Hempnall Church, The Mill Centre, Hempnall Surgery or by email. Any queries or requests for forms to Ian Nelson - hteefclerk@gmail.com Tel : 01508 498467.

PLEASE NOTE - WE ARE ABLE TO ACCEPT COMPLETED APPLICATIONS BY EMAIL. VALID RECEIPTS/PROOF OF PAYMENT MUST BE INCLUDED. INVOICES ALONE CANNOT BE CONSIDERED AS PROOF OF PAYMENT MADE.

Saxlingham Christmas Fair

The Christmas Fair will be held in Saxlingham Village Hall on **Saturday 19th November**.

There will be Christmas gift stalls, book stall, cake stall, raffle and refreshments.

Put the date in your diary and pop along to the Village Hall.

If you would like to have a stall at the Fair please email Lynn at robboosax@me.com

FOOD BANK

Items for our Food Bank are still needed; we are very grateful to all who continue to contribute during this difficult time.

Our next collections will be on:

**Sunday 2nd October 2022. Any items can be left at
Hempnall Church Office Mon-Thu, 9am-12:30pm.
Please phone before arrival - 498157**

HYGIENE—MALE & FEMALE DEODORANT

ANIMALS—DOG, RABBIT & GUINEA PIG FOOD (NOT CAT)

HEMPNALL WI

16 members plus a potential new member gathered on the 7th September at the Mill Centre. Jennifer Gibbs was our Speaker and she gave a very entertaining talk on 'Chasing the Sun - Eastern Turkey'. She is an excellent speaker and kept us all enthralled. She also brought along various items for purchase made by ladies in her village in Eastern Turkey. We all enjoyed refreshments afterwards. Our next meeting will be at The Mill Centre on Wednesday 5th October with a talk about The Hamlet Charity. If you would like to come along at 7.30 pm and see what the WI can offer you we would be pleased to welcome you. Any queries please contact Secretary Cindy Brookes 499358.

PARISH COUNCIL

Autumn 2022 Newsletter

An Update from the Speedwatch Team

It is pleasing to report that the team has recruited more members. We have been active in the village but hope to be able to increase the number of

sessions. Our goal is to encourage motorists not to speed and to create awareness of the importance of observing the 30mph and 20mph limits.

This is for the benefit and safety of us all, children and adults. For example, if a pedestrian is hit by a car travelling at 25mph or 30mph, their chance of survival would be considerably greater than if the car was doing 35mph. Something to think about.

Would you like to help? We really would like more volunteers to be involved and your contribution may well save a life. Please do contact the Clerk if interested or even if you would just like to understand more and why we do what we do.

New Dog Bin

We will shortly (at the time of writing) install a new dog bin at the Mill Road end of the footpath from the Street. This is a very popular thoroughfare which now has a dog bin at each end.

Good for dog walkers and if used properly, non-dog walkers alike.

Time to get the shears out

Now the bird nesting season is over, please attend to your hedges, especially those which boarder pavements or public footpaths. We receive requests each year from pedestrians with buggies or mobility aids to ask people to consider the inconvenience and sometimes danger caused by hedges not being cut back. So, please enjoy some exercise and the fresh air whilst making things safe for everyone.

Play area revamp and development

We will start work on the new play area with the provision of a zip wire and rope swing this autumn. The main "fort/slide" will be taken down shortly as the ground needs to be prepared and left to compact in order to accommodate more new equipment later.

The play area team have been successful in attracting significant third-party funding and await the outcome of some more grant applications. Thank you for doing your bit by supporting the local fun fundraising events.

Sadly, there has been a spate of vandalism of the old equipment and smashed alcohol glass bottles in the play area causing a danger to all who use it. Please let the Clerk know any information which might help us nip this in the bud before somebody gets hurt or the new equipment is vandalised.

As part of our Claylands Wilder Connections Project we are running Citizen Science Campaigns. Each season we're asking you to record your sightings of three species that make a home in the South Norfolk Claylands, to help us get a better picture of the areas that support these creatures and to help guide future conservation work.

Starlings, jays, and greenfinches are the next set of species to be selected because of their association with autumn and the species' need for large areas of connected habitat here in South Norfolk.

You can share your sightings:

- 1) On our online Spotter Survey www.norfolkwildlifetrust.org.uk/wilderconnections
- 2) By emailing wild@norfolkwildlifetrust.org.uk
- 3) By calling Sue Grime, Wilder Connections Engagement Officer, on 07393 807897.

We'll need to know what you saw where and when.

The Claylands Wilder Connections project aims to work with landowners, communities, and volunteers to "stitch together the fabric of the countryside" by creating, restoring, and enhancing habitats to benefit local wildlife within the Claylands Living Landscape area.

Hempnall Group of Churches and Norfolk Wildlife Trust

All of the Hempnall Group of Churches churchyards have been surveyed by the Norfolk Wildlife Trust and all have conservation areas to encourage wildlife. The churches also include books in which visitors can record their sightings.

Research in practice

This month I want to touch on the importance of research in primary care. I have been involved with various research studies over the past few years, and many of you would have received invites from me for these studies. I want to thank you for responding and participating in studies which include the DIFRID, StatinWISE, Orange juice study, TWICS, GRASP – AF, CANDID, Colorectal and many more. The ongoing studies at present include ATTACK, HipDys and Immune Defence Study. We are also getting involved with an Asthma diagnosis study for 5 – 25-year-olds.

What is the need for Research in Primary Care?

An article in the British Journal of General Practice in 2019 by Richard Hobbs gives us the answer we all ask ourselves. I enclose important excerpts from his article.

‘Primary care evidence has regularly impacted on informing international clinical guidelines, which is itself a useful surrogate for relevance and impact. The rate of such research has accelerated in the past 20 years and the quality and complexity has increased. Health systems should highlight the importance of primary care research to help deliver and guide priorities and invest in the academics and research practice networks that provide the evidence.’

It is important that research continues. I want to again thank all of you who have participated and continue to participate. I do hope as more relevant studies come out, many more of you will participate and help improve care and management of various conditions.

~Dr Mini Nelson~

The Garden in October....

The autumn chill sets in

Although we had some warmer days over September, the autumn is now definitely here for real, and it feels colder. It's a beautiful time of year, with the trees changing colour. Sometimes it may seem pointless raking, when the wind blows even more leaves onto the lawn, but just think of all the lovely leafmould you can make! It's also time to start preparing for early frosts.

1. **Move tender plants, including aquatic ones, into a greenhouse or conservatory.** In frost-prone areas a conservatory is the ideal place for overwintering tender perennials and marginally hardy plants from the garden. Cold-sensitive plants in need of good light levels and dry, frost-free conditions will also benefit.

2. **Cut back perennials that have died down.** Perennials are not demanding plants, but trimming them after flowering finishes in autumn helps improve their appearance and flowering. However, you can leave some stems over winter to provide homes and food for wildlife, and then trim back in spring.

3. **Divide herbaceous perennials.** Dividing perennials regularly will ensure healthy, vigorous plants that will continue to perform year after year. It also offers the opportunity to multiply your plants.
4. Divide established rhubarb crowns to create new plants
5. Plant out spring cabbages
6. Harvest apples, pears, grapes and nuts

7. Prune climbing roses
8. Finish collecting seeds from the garden to sow next year
9. Last chance to mow lawns and trim hedges in mild areas
10. Renovate old lawns or create new grass areas by laying turf

Thoughts for the month...

The Greenbelt Christian Arts Festival has been around 49 years and yet a lot of people have never heard of it.

How to describe it? Glastonbury without the drugs! Maybe, but to me it is a taste of heaven. I have been going over 30 years and I never get tired of it. There are numerous speakers, masses of music, not to mention food stalls from every nation. There is fun for the children and something for everyone, even an oldie like me!

This is not a luxury holiday. You sleep in a tent that might be too hot or too cold, you queue for the porta loos in the morning and, showers are rarer than hen's teeth. There is

'Glam Camping' available but then you miss coming back to camp and sharing your left-over food and wine and chatting and laughing, sharing your stories. Because however many bands, speakers, and stalls are there what Greenbelt is all about is the people. A non-Christian Folk singer told me he had never been to a festival like it and that he was overwhelmed at the welcome he was given and the kindness of everybody. At Greenbelt you can leave your bag or chair unattended while you go to fetch something and when you come back it will still be there. People don't push and shove, they stand back and make a space for you. You easily fall into conversations with fellow Greenbelter's, and Sunday Morning

communion service is something I don't know how to describe. Hundreds of people all sitting on the grass sharing the bread and wine, such an atmosphere of love and kindness.

Every year there is a theme to Greenbelt and this year's was 'Wake Up' to what we are doing to the world and how can we combat global warming and protect the beautiful world that God has given us. But there is much more, the plight of the poor downtrodden by the rich and the evils of war.

Of everything I heard and saw it was a song that moved me to tears. Here are three of the verses:

*If the war goes on and the children die of hunger,
and the old men weep for the young men are no
more,
and the women learn to dance without a partner
who will keep the score?*

*If the war goes on and the rich increase their
fortunes,
As the arms sales soar and new weapons are
displayed
When a fertile field turns to a no-man's-land tomorrow who'll approve
such trade?*

*If the war goes on will we close the doors to heaven;
If the war goes on will we breach the gates of hell:
If the war goes on will we ever be forgiven,
if the war goes on?*
